A safe label name is a fictitious name used on the Safe at Home (SAH) outgoing mail envelope as an additional safety measure. The use of a safe label name is **optional**. If you would like to use a safe label name, complete this form and return it to SAH. Your chosen safe label name **cannot** be the name of any actual, known person. This includes the name of relatives, friends and celebrities. You will need to place your safe label name in your mailbox so that your mail carrier will deliver mail in that name.

A safe label name is not a legal name change. Mail received in the SAH office **MUST** be addressed using the participants legal name. The safe label name will only be used for **outgoing mail from SAH**.
